

Who we are

The community café started in 2002 and is run by volunteers. The aim of the café is to encourage people to get back into work/gain confidence and help people who may feel isolated. We provide home cooked healthy food at a low cost. This has been very successful and we are always recruiting new volunteers. If you wish to join us call Rose on 01952 382203

The community café is supported by the
